

# MEADOW POINTE II

## Community Development District

---

Dear Resident:

As you are aware, the Meadow Pointe II CDD recently upgraded the receivers that operate the gates in our twelve gated villages. Now that the remote (transmitter) swap project is complete, we would like to clean up and ensure the accuracy of the names and codes in the call-boxes as well. The goal of this endeavor is for us to have accurate and current information in our system and to maintain a high level of security for all our residents in the gated communities.

Please take a moment to fill out the bottom portion of this letter and return it to the MP II Clubhouse office at your earliest convenience. In the very near future we will begin updating all names and codes. At that time, if we do not have your new information, your access through the call box will be removed.

We apologize for any inconvenience this may cause. Thank you for your cooperation.

Sincerely,

Sheila Diaz  
Operations Manager
