The agenda is routine in nature. Committee members and staff will present their reports at the meeting. If you have any questions, please contact me.

Only items contained in the regular meeting will be voted on. A motion and a second must be made prior to any discussion. Each Supervisor will be given two minutes to make remarks; a second two-minute round will be given for rebuttal; after which a vote on the motion will be made. If there is not a second, the motion will die and no further discussion will be had.

Items listed for discussion during the workshop will be brought to the floor by the Chairman and each Supervisor will have three minutes to discuss the issue, a second two-minute round will be given for rebuttal; after which a vote will be taken only for the purpose of determining whether or not the issue has support to proceed to the floor under New Business at the next full staff meeting. If there is not sufficient support for the issue, it will be tabled until a later discussion can be had. Only items on the agenda will be discussed and there will be no additional New Business.

Sincerely,

Bob Nanni
