In the recent past, Meadow Pointe II residents have reported incidents to the District Clubhouse either by phone or email that were issues for law enforcement. Calling the clubhouse, or reporting incidents that could potentially harm residents or damage property to non-emergency numbers delay, if not eliminate the opportunity for resolution and/or apprehension by law enforcement officials. Or worse yet, fires reported first to the clubhouse delay fire crews, a fire burns out of control and a life is taken. Frankly the frequency of calls to the club house first is alarming to MPII and me and the contracted deputies that work here in Meadow Pointe II.

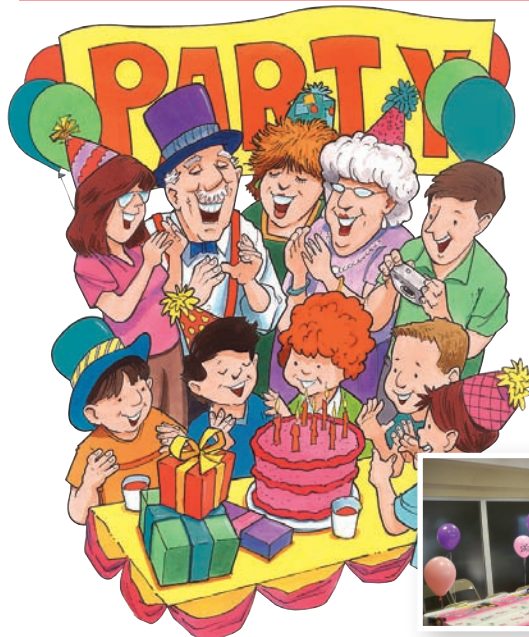

When suspicious individuals or activity is observed, if you are awoken by reckless drivers' that damage your property in the middle of the night, or fires break out . . . CALL 911. Calls to the non-emergency numbers are not treated with a sense of urgency, but rather as citizen assist calls, and

deputies are not dispatched to investigate. Help us to help you -- call ALL emergency situations—even those that you may not be sure require a sense of urgency--, but THINK require a sense of urgency into emergency number (911) so that our law enforcement agencies get timely information, and have the greatest opportunity to serve us. You never know when the information you have will aid in the apprehension of questionable individuals. Deputies may be waiting for the information you have to solve a case.

Please, please, make the clubhouse your second call if you feel the need to report it to the CDD as well. Our well-informed staff members are always eager to assist however they can.
Respectfully submitted,

Linda Straw

CHAIRMAN, MPII BOARD OF SUPERVISORS

Plan your next family gathering at the Clubhouse!

Birthday party, baby shower/ bridal shower or family reunion, - MPII clubhouse has a room for you.

Call the clubhouse at **991-5016** for more information.

Community Involvement in MP II

If you are as busy as I am with work and family then you do not have much free time to give up. However, like most things, if it is important enough then you find the time. Meadow Pointe II is looking for more community involvement in our community.

Over the years the Resident Council and attendance at the bi-monthly CDD board meetings has fallen off. This may be due to many things. With the economy the way it is, many residences have fallen into foreclosure. Many people who may have originally bought a home in Meadow Pointe II 10 years ago have lost their job and moved away. Regardless of the reasons, there are still many residents

in MPII that love their community and want it to stay a great place to live and raise their family. That is why I am asking for more resident involvement in our community at Meadow Pointe II.

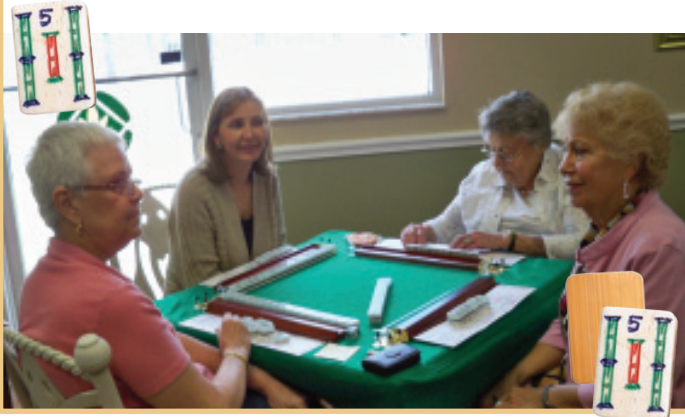

Our community is going to be what we make it. Let this article serve as your invitation to come out to one of the Community Development District board meetings and meet me and the other board members. Tell us what you like about the community and what you do not like. The important thing is to let your voice be heard.

Let me also invite you to attend or become involved in the Meadow Pointe II Residents Council. This is a voluntary board made up of residents from the different villages in Meadow Pointe II. As the CDD board representative at the Residents Council, I will attend meetings to answer questions you might have about the board or Meadow Pointe II in general. The CDD board meets two times a month on the 1st and 3rd Wednesday of the month. The Residents Council meets once a month on the 2nd Wednesday of the month. So come on out and get involved. ❖

Glen Aleo
SUPERVISOR MPII CDD BOARD

Got Mah Jongg ?

Mah Jongg involves skill, strategy, and calculation, as well as a certain degree of luck.
Call the clubhouse for more information.
